Pratham's ASER 2009 Report to be released in January 2010

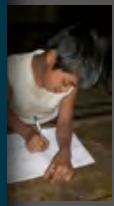

Pratham's ASER survey model is adopted by Pakistan: The Government of Pakistan invited Pratham to help set up an ASER survey for rural areas of Pakistan. Read the report.

slumdog millionaire

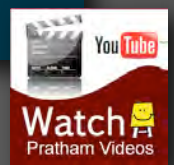

Slumdog Millionaire

Did you enjoy the Oscar-winning film *'Slumdog Millionaire'*? It was filmed in the same slum community (Dharavi) where Pratham had its origins. Although the movie is a wonderful portrayal of the tenacity and spirit of the youngsters and the triumph of hope over adversity, it is a sobering window on the hardships faced by slum children and their families everywhere. The reality in the slums is sometimes harsher than portrayed in the movie, but with a determined effort by NGOs such as Pratham and the support of people in all walks of life, there is a light at the end of the sewer for these kids.

Pratham Canada needs volunteers! If you are interested in a worthwhile cause and can spare a couple of hours every week, please join us. Help break the cycle of poverty and illiteracy for millions of kids in the slums.
